# PLANT GOOD THRIFTY TREES!

**1 cent per tree off of list price if you call at nursery for your order.**

**All nursery stock has been inspected and a certificate of inspection accompanies each shipment.**

**Fall planting Season usually starts November first and continues until freezing weather.**

**Planting can safely be done any time the weather is not lower than 40 degrees.**

To my many friends, customers and persons planning to plant an orchard this Fall or Spring 1943. This catalogue and price list is sent to those of you who may wish to place your order early for shipment this Fall or Spring, 1943. A more descriptive catalogue will be sent to you later.

We have enjoyed one of the best growing Seasons in years and are in a position to furnish you with trees of an exceptional thrifty growth. We wish you all could arrange to call here and see these trees in the nursery rows. We have been producing fine trees since 1905, but I believe this is one of the finest blocks we have ever produced.

The Fall shipping Season usually begins about Nov-

ember first. We must first have heavy frosts to mature the wood and loosen the leaves on the tree before we can safely dig the trees for you. The month of April is considered the ideal Spring planting month.

Send us your order early and we will reserve the trees you wish and try to send them to you at the time you wish them.

Thanking you all for your continued patronage and wishing you every success, I am

Yours very truly

H. G. Baugher, Proprietor

**Adams Co. Nursery & Fruit Farm**

Aspers, Adams County, Penna.

**An EXTRA SERVICE  
for your PROTECTION** •

We have employed the services of Dr. W. H. Upshall, of Vineland Experiment Station, Ontario, Canada and Dr. J. K. Shaw, A. P. French, O. C. Roberts and L. Southwick of the Massachusetts State College to examine our fruit tree nursery stock for trueness to name. This additional expense is for your protection as a customer. No expense has been spared to enable us to offer our customers trees that they can plant with assurance that they will be true to name.
